

2002 (final) Juneau Gun Club Bylaws

Members of the Juneau Gun Club are “encouraged” to join and remain an active member of the NRA (National Rifle Association), and to report their membership to the Club Secretary. The Juneau Gun Club maintains insurance coverage offered by the NRA which is subject to a percentage of the membership being active members of the NRA. If you are not already a member of the NRA, please take a few minutes to review their program, and if willing, take advantage of their online registration.
